Enchantment Under the Sea

On behalf of Sea Turtle Inc, we are thrilled to invite you to our 3rd Annual Gala, *Enchantment Under the Sea*, on Saturday, February 6, 2027, at the Hilton Garden Inn on South Padre Island, Texas.

After two incredible years of sold-out events, the *Enchantment Under the Sea Gala* has become the premier fundraising celebration on the Texas Gulf Coast. We are excited to welcome our community of supporters back for an unforgettable evening dedicated to protecting and preserving endangered sea turtles.

This signature event offers a unique opportunity to join a distinguished group of donors, business leaders, and conservation advocates who are making a tangible impact on sea turtle conservation. Every contribution directly supports Sea Turtle Inc.'s rescue, rehabilitation, education, and research efforts, helping ensure these remarkable animals thrive for generations to come.

Guests will enjoy an immersive under-the-sea experience featuring elegant dining, captivating entertainment, exclusive auction opportunities, and inspiring stories from the front lines of sea turtle conservation.

Sponsorships are limited. Secure your table today and align your organization with a mission-driven community committed to creating a lasting impact for endangered sea turtles.
