

SEA TURTLE
INCORPORATED

CONSERVATION, MEDICAL CARE, APPLIED RESEARCH AND EDUCATION

Summary

From South Padre Island, Texas to the world, it's Sea Turtle Inc's mission to protect sea turtles through conservation, medical care, applied research, and education. We are excited to fund consequential international sea turtle conservation projects in areas where these funds will make the most impact! Project applications should indicate the impact funding will have on sea turtle conservation. Projects should have clear and measurable impact goals and metrics.

This funding cycle priority will be given to projects focused on Leatherbacks, Hawksbills or Kemp's Ridleys. Projects must take place in one or more of the following regions: the Caribbean, Central America, South America, or North America. Please note, projects taking place within the continental United States are not eligible for funding under this grant cycle.

Additional Information

Application deadline is October 25, of year prior to grant period

Completed Application form and additional documents should be submitted via website link

Projects funded will be notified by end of November of year prior to grant period

Grant awards under \$20,000.00 require mid project report within 30 days of conclusion of project date (template provided)

Grant awards over \$20,000.00 require mid project report as well as final report within 30 days of conclusion of project date, or as outlined in the award agreement (templates provided)
