Join Sea Turtle, Inc.'s Education Team in providing engaging conservation and environmental education to diverse audiences! We're looking for enthusiastic, hardworking, outgoing individuals who enjoy working with children and the public, have experience teaching school-aged kids, and are passionate about sea turtle conservation.

Position Duties/Responsibilities:

The Sea Turtle, Inc. Education Intern responsibilities include but are not limited to:

- Present Turtle Talks, sea turtle feedings and hospital talks to audiences of all ages.
- Educate visitors about sea turtle conservation, our resident turtles, and patients in our sea turtle hospital.
- Assist on live streaming events during Public Hatchling Releases and Patient Releases
- Develop and implement educational programming.
- Assist with educational programs including: summer camps, school field trips, scout programs, Kids Night Out, private tours, community outreach, and virtual learning.
- Engage visitors throughout our museum, resident hall, and hospital.
- Assist with special events, admissions, and gift shop operations.
- Support Sea Turtle, Inc.'s mission through daily guest interactions and education initiatives.

General Requirements:

- Recent graduate in environmental education, biological sciences, wildlife/fisheries science, or a related field.
- Experience teaching or working with school-aged children is preferred.
- Interest in environmental education, marine biology, or conservation.
- Strong communication, public speaking, and organizational skills.
- Positive attitude, self-motivation, flexibility, and ability to work independently and as part of a team.
- Ability to adapt to high-pressure situations and work outdoors in varying weather conditions.
- Basic computer skills and a willingness to learn.
- English/Spanish bilingual skills preferred but not required.

- Flexible daily schedule with the ability to work weekends, split shifts, and some evenings as required.

General Information: The Jeffery George Internship Program is designed for recent college graduates preparing for professional careers. Applicants must be 18 or older, authorized to work in the U.S., hold a valid U.S. driver's license, and pass a criminal background check.

On-site shared housing is provided at Sea Turtle, Inc. on South Padre Island, Texas, along with a \$35 stipend per workday. Housing includes air conditioning, basic furniture, Wi-Fi, and kitchen supplies. Pets and overnight guests are not permitted. Food and transportation are not provided, and a personal vehicle is not required.
